

BONUS

Take It Outside!

Look at the picture of a rainbow. Go outside with an adult and try to find one object for each color in the rainbow.

With an adult, find an animal to watch outdoors, such as a frog or squirrel. Do not get too close! Watch how the animal moves. Then, try to move like the animal. Can you do it?

Read the scavenger hunt list. Go outside with an adult. Try to find one object that matches each description.
