

# Community Helpers Sort

## Items used to make this Project:

- CD-110111 Community Helpers: Photographic Mini Bulletin Boards
- CD-6307 The Alphabet Chartlet
- CD-146000 Student Sticks
- Glue or tape
- Paper bags

**Directions:** Laminate the "Photographic Community Helpers". Staple together 26 paper bags, 13 on both sides. Cut out the letters from "The Alphabet Chartlet". Tape down each letter from "The Alphabet Chartlet" onto the back of a "Student Stick". Staple the "Student Sticks" onto each paper bag. Then sort the "Photographic Community Helpers" by the beginning sound or even the ending sound. You can have the students self check their work by reading the answer on the write-on wipe-off "Student Sticks".
