Subject Area:
Reading

National Standard:
3.RI.2, 3.RI.5, 3.RI.8

Items Used for This Project:

Any Spectrum® Readers Series
Any Jumbo Library Pockets
Any Regular Library Pockets
Index Cards

Directions:

Glue 3 Jumbo Library Pockets to the poster board or bulletin board to use as reader's storage.

Glue 3 Regular Library Pockets to the poster board or bulletin board to use as index card storage.

Write 3 reading strategies on index cards. Then, glue them under each of the pockets.

Instructions for Use in the Classroom:

Have students read one of the Spectrum® Readers. After reading, have them take an index card from underneath and follow the strategy.

Students will write their answers on the index card and then turn it in a basket or container under the station.

Make sure they choose a different book each time they visit the station.
