

Grades:

2–5

Subject Area:

Science

National Standards:

2-PS1-1, 5-PS-3

Items Used for this
Project:

Winter Mini Bulletin Board Set
(CD-110308)

Winter Fun Straight Border
(CD-108230)

Bubbly Blues Scalloped Border
(CD-108178)

Blue EZ Letters (CD-130049)

Winter Mix Cut-Outs
(CD-120176)

Winter Bulletin Board Paper

Double-Sided tape

Stapler and Staples

Directions:

1. Line a bulletin board with Winter bulletin board paper.
2. Attach the Winter Fun Straight Border around the edges of the bulletin board. Attach the Bubbly Blues Scalloped Borders underneath for a layered look.
3. Use Blue EZ Letters to title your display Cozy with Matter.
4. Label the small headers from the Winter Mini Bulletin Board Set with the properties of matter: Solid, Liquid, and Gas. Attach the headers to the board in a row with space between them.
5. Write the names of objects in different forms on Winter Mix snowflake cutouts.

Instructions for use in classroom:

Have students take turns matching objects with the correct state of matter.
